Super PAC Owned by Facebook Parent Company Meta Spends Big in Texas Primaries

A well-funded super PAC is Meta's latest investment in its Texas-based tech interests.

Super PAC “Forge The Future,” founded by California-based tech giant Meta, **reported** \$1.3 million in Texas expenditures ahead of the upcoming March 3 primary.

Formed earlier this year, Forge The Future is one of four super PACs controlled by Meta. The PAC's [Texas site](#) states an objective of supporting “conservative candidates” with favorable stances on tech policy issues.
